

## BOARD EXAMINES SCHOOL PAPERS

Twelve Hundred Applicants Mostly Those Who Never Held Certificates.

The State Board of School Examiners has been in session here since Tuesday morning receiving and assorting the papers for the spring examination of teachers, which was held last week.

While the number of applicants may reach 1,200, it is not as large as usual, and consists mainly of new applicants, who have never held certificates. The majority of teachers who will be required to take the examination, prefer to take it after attending one of the State summer institutes, which gives them the privilege of dividing the examination, and the indications are that there will be a much larger attendance at the summer schools than last year, although more than 4,000 were in attendance there. This is about one-third of the teachers of the State, and nearly twice as many as ever before attended summer schools in one year. This fact speaks well for the progressive spirit of the teachers of the State, and shows that they are endeavoring to make the efforts which are being made to secure increased salaries for them. It is also one of the salutary results of the work of the State Board of Education, and the suggestion was adopted, that a fourth-grade certificate be issued for a limited time to colored applicants who could not make the required marks for a third-grade certificate, but who make an average of 50 per cent. on the subjects required for a third-grade certificate.

The same examinations will still be open to colored teachers, but it is a temporary arrangement to avoid issuing to them so many emergency certificates. The members of the board here are Charles G. Maples, Harris Hart and Jackson Davis.

## AMUSEMENTS

**Academy—Mrs. Temple's Telegram.**  
Billion—On Trial for His Life.  
Lubbo—Continues Vaudeville.

Some New and Old Favorites.  
"Mrs. Temple's Telegram," at the Academy, is playing to excellent houses, and the members of the Page Stock Company are fast winning their way to the hearts of Richmond players. Miss Carroll McComas, very pretty and quite vivacious, bids fair to rival in popularity Miss Graye Scott of bygone days, and Mr. Sylvester and Mr. Linderman got such an amount of fun from the situations last night that a man in the gallery laughed so long and loud that he almost stopped the action of the farce.

Mr. Hudson is an old favorite, who feels very much at home in a familiar role, while Miss Valarie Valarie, with an undisputed theatrical name, plays a character part in a manner to make Miss Lucille La Verne (another dazzling footlight cognomen) look to her laurels.

All in all, Mr. Page's company of players has made an excellent beginning and promises to afford plenty of amusement during the silly season.

Building and repair permits were issued yesterday as follows:

### SLIGHT CHANGING MADE.

**Alteration in Wording of Confession of Faith by Presbytery.**  
[Special to The Times-Dispatch.]  
HARRISBURG, Va., April 28.—The second day of the spring meeting of the Lexington Presbytery was called to order to-day by Moderator Frank T. Glasgow, of Lexington, who succeeded the retiring moderator, Rev. J. A. Treble, of Falmouth. Ridge. Rev. J. B. Massey preached the presbytery sermon, taking for his theme "Church Discipline."

Rev. Dr. W. N. Scott, of Staunton, who has just returned from the Holy Land, presented the presbytery with an olive wood gavel which he had made in Jerusalem.

Rev. E. B. Druen, of Basic City, was dismissed to go to Springfield, Hampshire county, W. Va., and Rev. William C. White, of Warm Springs, was granted permission to accept a call to Lock Willow, Augusta county. Authority was given Hot Springs to employ Rev. J. J. McCall as stated supply until the next presbytery.

An overture as to the elect infant class was presented asking that the wording of the confession of faith be changed. A warm debate ensued. It was voted to change the wording of the clause, but not the teaching or the doctrine.

Favorable reports on the synodical orphanage at Lynchburg and the home and school at Fredericksburg were received.

Beverly, W. Va., was chosen as the next meeting place of the presbytery, and October 12 as the date.

One hundred ministers and elders are in attendance.

### Will Enlarge Plant.

## YOUNGSTER SAVED BIG SUM FOR CITY

Showed Where Gas Odor Came from Before Workmen Could Tear Up the Street.

It is proverbial the world over that the "small boy" is a public nuisance, and the general opinion is that he is good for nothing except to get into mischief and give other people trouble. If this is the rule, there are exceptions, as was demonstrated by an incident which took place on Shockoe Slip a few days ago.

A discovery made in that vicinity by a little dirty-faced, half-clad urchin saved the city much trouble and money and solved a problem that had baffled grown men for many days. Merchants and business men on the slip complained of the odor of gas, and finally some of them reported the matter to the gas and engineer's departments, with the request that it be looked into and the trouble remedied. Men from the two departments were sent to Shockoe Slip to dig up the street and remedy the supposed leak in the gas mains. It was thought, perhaps, that in putting in the new fountain on the slip for the purpose of watering horses a gas main had been accidentally tapped, and it was upon this theory that the men were about to proceed with the digging.

Just as they were beginning the work, a small boy playing around the fountain asked one of the men what he was going to do. He replied that he was going to dig up the street to repair a leaking gas main. "Smell this," said the boy, handing the man at the same time a handkerchief which he had picked up near the fountain. With the fingers was a lot of gas coke which had not been thoroughly burned, and which still held a strong odor of gas. The man discovered in a second that the odor was coming from the gas coke, and not from the fountain, and that there was no leaking main in that section. The men shouldered their picks and shovels and left the scene, one of them taking with him a paper bag full of the coke, with which to demonstrate to the Superintendent of the Works that the trouble resulted from the coke and not from a gas main.

The discovery made by the boy saved the city a great deal of trouble and expense, and the digging up of the street to look for the supposed leaking main.

### GROWING WARMER.

**Norfolk's Political Campaign Gives Promise of Hard Contest.**  
[Special to The Times-Dispatch.]  
NORFOLK, April 28.—Local politics is warming up gradually, and it is expected that with the naming of the date of the primary next week there will be a number of announcements forthcoming, showing that there will be general opposition along the whole line.

Looks like the liveliest fight will be for the office of City Collector, now held by E. J. Gorman. Mr. Gorman is a candidate, and will face three opponents—ex-Fire Chief J. H. Kegebein, Councilman Macon and Harry L. Belote. It is also said that Commonwealth's Attorney Tilton will be opposed, but as yet there has been no definite announcement. B. Gray Tunstall will oppose Treasurer Herman. There are two candidates announced for City Sergeant in opposition to Sergeant Lawler, and they are: Robert Tunstall Ferguson and Claude L. Hudgens. Further announcements for the various offices will be made during next week, after the final arrangements for the city primary have been announced.

## HAD CHANCE TO SPLIT EVEN OR LOSE \$807 ON ONE THROW

Old Man and Young Man, in Matching Contest, Make Others Dizzy, But Loser Must Win Sometime and He Did.

Already \$407 ahead of the game, a certain well-known young man of this city, and a sport to boot, gave his opponent a chance last night to win back his losses in a matching contest, or to win for himself \$807—more money than he had ever seen, a veritable Golconda, he thought, since the other, over Croesus or J. P. or John D. had dreamed of in their wildest hallucinations.

"You're ahead of me," said the other, an older and wiser man, one who had backed the game so often that \$807 seemed a small thing, and "I'll bet you \$400 for the last time. Honest, it'll be the last match."

"I'll go you," said the younger man, whose lust for filthy lucre was no stronger in his bosom than his sportsmanship, even though he was so much ahead. They tossed their coins on the counter—what kind of counter may be imagined, but it was a very pretty one, and the lights danced in one's eyes like so many diamonds. The older man was watching the younger. The older man, when they uncovered, had won. He had won back his \$400, and the other was now only \$7 ahead.

"Here," he said again, "I'll match you for \$4, honestly for the last time."

They tossed and he lost. ## News of Manchester

Manchester Bureau, Times-Dispatch, 1102 Hull Street.

President Perdue, of the Board of Aldermen, stated yesterday that he would call a special meeting of that body early next week for the purpose of passing on the consolidation ordinance. He has not yet determined upon the day. Undoubtedly the ordinance will be passed, but some fear that the Board may make a change in the name of the committee from that body, which would necessitate the ordinance again being referred to the Assembly for concurrence. While no particular harm would result from this, it would cause a delay in finally getting the two committees together.

Consolidation was the main topic of conversation all over the city yesterday, and its many merits and demerits were fully discussed. Opinion in the city as to how the matter would be handled at the hands of the people differs. Politicians and office-holders state that it will be defeated, while the majority of disinterested citizens believe that it will go through.

**Pretty Double Wedding.**

A pretty double wedding was solemnized at the home of A. Hawkes, 929 McDonough Street, last night at 9:30 o'clock, when Miss Sallie House became the bride of Overton Moody, and Miss Pearl Clary was married to Worth Childress. The ceremony was performed by Rev. G. T. Forrester of the Methodist Church.

The brides, both carrying bouquets of white roses and attired in traveling suits of brown and brown hats, entered with their respective maids of honor, Miss Musie Hawkes and Miss Senna Childress, groomed in the latest fashion, accompanied by their best men, Clarence Haddock with Mr. Moody and Linwood Holt with Mr. Childress. The house was decorated with cut flowers, and the altar, arranged in the forward part of the parlor, was constructed of maiden-hair ferns. The bride party entered from the dining-room and through the folding doors into the parlor and to the altar. Many friends and relatives of the two couples were present. Following the ceremony, the two couples left for a bridal tour to Washington, New York and Atlantic City. Mr. and Mrs. Moody will make their future home in Gladstone, and Mr. and Mrs. Childress will live in Manchester.

**Stone Is Accepted.**  
After inspecting the stone offered by the McIntosh and Rainey quarries, in Chesterfield county, the United States Inspector in supervision of the construction of the Manchester post-office building has recommended that the stone be accepted, and in a new way it will be sent to the city in shipments. The cornerstone will be cut shortly, and Contractor Barnes states that he will be ready to announce the date upon which the stone can be laid next week. The present work on the building is progressing nearly complete, and the contractor will be ready to start raising the steel work next week. It will probably be some time in May before the corner-stone laying can take place.

**In Police Circles.**  
Charles Booker (colored), charged with entering the home of E. Webb at Drewry's Bluff Tuesday night and stealing clothing of value, appeared before Mayor Maurice yesterday morning and was given ninety days in jail. He was also sent on to the grand jury on the charge of housebreaking.

The trial of Charles Bowen, charged with breaking into the store of A. B. Morrisette and stealing \$100 worth of shoes, will come up before Squire Cheatham Friday.

T. Forrester performing the ceremony. The couple left for a Northern bridal trip, and upon their return will make their home in Richmond.

**Death of an Infant.**

The funeral will take place this afternoon at 6 o'clock from the residence. Rev. J. W. Durham will conduct the service, and interment will be in Maury Cemetery.

Some of Richmond's talent, as well as some talent, will take part. Among those who will contribute are Captain Frank Cunningham, Mr. and Mrs. Cowles, Mrs. Rawley Shifflet and others. Joseph D. Johnson, Camp Confederate Veterans, will attend in a body.

## One of the Important Duties of Physicians and the Well-Informed of the World

is to learn as to the relative standing and reliability of the leading manufacturers of medicinal agents, as the most eminent physicians are the most careful as to the uniform quality and perfect purity of remedies prescribed by them, and it is well known to physicians and the Well-Informed generally that the California Fig Syrup Co., by reason of its correct methods and perfect equipment and the ethical character of its product, has attained to the high standing in scientific and commercial circles which is accorded to successful and reliable houses only, and, therefore, that the name of the Company has become a guarantee of the excellence of its remedy.

### TRUTH AND QUALITY

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing, therefore we wish to call the attention of all who would enjoy good health, with its blessings, to the fact that it involves the question of right living with all the term implies. With proper knowledge of what is best each hour of recreation, of enjoyment, of contemplation and of effort may be made to contribute to that end and the use of medicines dispensed with generally to great advantage, but as in many instances a simple, wholesome remedy may be invaluable if taken at the proper time, the California Fig Syrup Co. feels that it is alike important to present truthfully the subject and to supply the one perfect laxative remedy which has won the approval of physicians and the world-wide acceptance of the Well-Informed, because of the excellence of the combination, known to all, and the original method of manufacture, which is known to the California Fig Syrup Co. only.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of Syrup of Figs—and to get its beneficial effects always note, when purchasing, the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package, whether you simply call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna—as—Syrup of Figs and Elixir of Senna—is the one laxative remedy manufactured by the California Fig Syrup Co. and the same heretofore known by the name—Syrup of Figs—which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States, in original packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture, at Washington, D. C., that the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.

## ALEXANDRIA HAS GALA CLOTHES ON

City Is in Readiness for Its Great Celebration of Friday.

[Special to The Times-Dispatch.]  
ALEXANDRIA, Va., April 28.—Alexandria is in readiness for the big military pageant which will take place Friday afternoon at 3 o'clock, in observance of the one hundred and twentieth anniversary of the inauguration of Washington as President. Flags and bunting float from every building along the line of march, and the inaugural court of honors looks resplendent in its new dress, while garlands bearing Washington's colors, blue and buff, are fastened around the necks of the columns. President Taft, Vice-President Sherman and other distinguished guests will review the pageant from the corner of Washington and Princess Streets.

A large stand, extending from curb to curb, will be draped with bunting and flags.

Following the parade the assemblage will go to the George Washington Park, where the dedication will take place, when an address will be made by Governor Swanson. The corner-stone will be laid by Alexandria-Washington Lodge of Masons.

The homecoming week celebration progressing very nicely, and many strangers are now in the city. The festivities to-night included a number of dances and exhibitions by the carnival company, together with a musical performance by the Lyceum Dramatic Club. A big searchlight was to-night thrown over the city from the golf clubhouse at the end of King Street, where the park is located, and its illumination could be seen throughout the city. The searchlight came from Fort Hunt, and was placed in position by Lieutenant Cunningham.

## HOWITZERS WILL LEAVE TO-NIGHT

### PLAYING POLITICS.

**That Is Open Charge Brought Against School Board.**  
[Special to The Times-Dispatch.]  
NORFOLK, Va., April 28.—The charge is being openly made that members of the School Board are playing politics in the selection of a president to succeed the late Professor W. M. Jones. No less than five meetings have recently been called for the purpose of electing a successor, by members, but each time a quorum has failed, and it is claimed by the absence of supporters of Dr. Royster. The friends of Mr. Ruffin, the other candidate, have been present each time, and it is claimed with the necessary majority to name their candidate, but the supporters of Dr. Royster have been absent.

Friends of Mr. Ruffin claim that his election is now assured, and that because he will be supported by the new member of the board, J. L. Hubbard, elected last night by Council.
